

Lacksadaisical days
In a daze
My feelings for you from where they come
I don't know
I don't know
I don't know
Stay forever green
Evergreen
It's a shame our dance has to end so soon
Too soon
Cause it's June
But it's beginning to feel a lot more like July

Wilting wonderland
Where's the band
Sitting at home
Watching the parade on tv, tv, tv
Nevermind the sign
Stay in line
No need to worry
It'll come real soon
Cause it's June
But it's beginning to feel a lot more like July

Sugarcoat the misery
Only way I'll take it in
Spoonfeed me the Cross
Spoonfeed me it all

Lacksadaisical days
In a daze
My feelings for you from where they come
I don't know
I don't know
I don't know
Stay forever green
Evergreen
It's a shame our dance has to end so soon
Too soon
Cause it's June
But it's beginning to feel a lot more like July

Sugarcoat the misery
Only way I'll take it in
Spoonfeed me the Cross
Spoonfeed me it all

And I wanna be your number one
And I want to be so sweet and prestine
No more
No more
No more
