

Coming Apart

Red

The road was brighter at the beginning
When I lived inside a dream
Is it too late now for you to see me
When I'm breaking at the seams

You're the one thing I can't, I can't lose
You're my one thing

Hold on, I'm coming apart
I'm gone, but not too far
Hold on, be strong
Don't give up on me today
Don't give up on me today
I'm coming apart, don't give up on me
I'm coming apart, don't give up on me

I'm still clinging to the memory
Is it fooling, fooling me
My only bliss in what I'm forgetting
Wish I could take it all away

'Cause you're the one thing I can't, I can't lose
You're the one thing

Hold on, I'm coming apart
I'm gone, but not too far
Hold on, be strong
Don't give up on me today
Don't give up on me today
I'm coming apart, don't give up on me
I'm coming apart, don't give up on me

You're the one thing I can't, I can't lose

Hold on, I'm coming apart
I'm gone, but not too far
Hold on, be strong
Don't give up on me today
Don't give up on me today
I'm coming apart, don't give up on me
I'm coming apart, don't give up on me
