

Hymn for the Missing

Red

I tried to walk together
But the night was growing dark
Thought you were beside me
But I reached and you were gone
Sometimes I hear you calling
From some lost and distant shore
I hear you crying softly before the way it was before

Where are you now
Are you lost
Will I find you again
Are you alone
Are you afraid
Are you searching for me
Why did you go I had to stay
Now I'm reaching for you
Will you wait, will you wait
Will I see you again

You took it with you when you left
These scars are just a trace
Now it wonders lost and wounded
This heart that I misplaced

Where are you now
Are you lost
Will I find you again
Are you alone
Are you afraid
Are you searching for me
Why did you go I had to stay
Now I'm reaching for you
Will you wait, will you wait
Will I see you again
