Hymn for the Missing

I tried to walk together But the night was growing dark Thought you were beside me But I reached and you were gone Sometimes I hear you calling From some lost and distant shore I hear you crying softly before the way it was before

Where are you now Are you lost Will I find you again Are you alone Are you afraid Are you searching for me Why did you go I had to stay Now I'm reaching for you Will you wait, will you wait Will I see you again

You took it with you when you left These scars are just a trace Now it wonders lost and wounded This heart that I misplaced

Where are you now Are you lost Will I find you again Are you alone Are you afraid Are you searching for me Why did you go I had to stay Now I'm reaching for you Will you wait, will you wait Will I see you again
