

# Release the Panic

Red

I don't mean to, to alarm you  
Can't you see now, it overtakes you  
You're declining, disintegrating  
You're gonna lose it all  
This time you're wasting

Breathe in, breathe out  
Breathe in, breathe out  
Breathe in, breathe out  
Blackout  
Let your panic out

Let it out, let it out  
Release the panic  
Oh, release the panic  
Get it out, get it out, get it out  
Release the panic  
Oh, release the panic

'Cause you're trapped in the countdown  
And your days are numbered  
Don't you know that you're done for  
Right now, lights out  
Let your panic out

You can feel it, but you're ignoring  
It creeps upon you, without a warning  
You think you're thriving  
But you're decaying  
You're gonna lose it all  
There's no escaping

Let it out, let it out  
Release the panic  
Oh, release the panic  
Get it out, get it out, get it out  
Release the panic  
Oh, release the panic

'Cause you're trapped in the countdown  
And your days are numbered  
Don't you know that you're done for  
Right now, lights out  
Let your panic out

Feel it slip away, slip away  
You know you're done for  
You're done  
You can't get away, get away  
You know you're done for  
You're done for

Let it out, let it out  
Release the panic  
Oh, release the panic  
Get it out, get it out, get it out, get it out  
Release the panic

Oh, release the panic

Let it out, let it out

Release the panic

Oh, release the panic

Get it out, get it out, get it out

Release the panic

Oh, release the panic
