

Linda Blair

Redd Kross

In the Exorcist, baby
You were really insane
You got busted, you got dusted
You got busted for cocain
Your born innocent, girl
And that ain't all
You got it for the first time baby n a shower stall
Kidnapped raped and possessed
Linda is the Best

She used to be on the run
But now she thinks it's a lot of fun
She takes her cigarettes from her sleeve
Now she never wants to leave
Not even when she's eighteen
