

Mess Around

Redd Kross

I don't want to mess around
with anybody else
I don't want to mess around
with anybody else

Can't you see monogamy
Has always been so hard for me
Can't you see monogamy
Has always been so hard for me, hard for me

I don't want to mess around
with anybody else
I don't want to mess around
with anybody else

Can't you see monogamy
Has always been so hard for me
Can't you see monogamy
Has always been so hard for me, hard for me

My fault - it's true
Yes you said
That you would always trust me
Now look at you
You put surveillance on my heart

I don't want to mess around
I don't want to mess around

My fault - it's true
Yes you said
That you would always trust me
Now look at you
You put surveillance on my heart

I don't want to mess around
I don't want to mess around
I don't want to mess around
I don't want to mess around
