

Bring Out The Bottles

Redfoo

Party rock! Yeah!
RedFoo! Oh!
Let's go!

I'm owning in the club with my hands up high tonight
On the dancefloor the girl is it is looking fly

Yeah, It's gon' be poppin' tonight
I say yeeeeeah
Champagne's poppin' tonight
The DJ play the record that it makes the club go high
I'm balling in the VIP with my click real 4 of july
I say yeeeeeah
It's gon' be poppin' tonight
It's gon', it's gon' be poppin'
I say yeeeeeah
The champagne's poppin' tonight

Bring out the bottles, ohhh
I'm ready to go
Bring out the bottles, ohhh
I'm ready to go, go
Bring out the bottles

Bring out the bottles, ohhh
Bring out the bottles, ohhh
Bring out the bottles, ohhh
Bring out the bottles
I'm ready to go, go

Yeah, baby

I own the VIP, me and my click we sold it to ya
Everyday we go again, Everyday we go again, yeah
And there ain't no stopping
Shake that girl, keep the bottles poppin'
If I take that girl, then the pen ain't chopping
But I wait right here cause I see more options

I got it, and now you want it
And then you need it, because I'll be there
Oh oh oh made a swing from mall
I drank so much gotta hit the floor
She dropped it low, I slapped it yo
And said this Redfoo with the big a-fro
In the ear said; It's gon' be poppin' tonight
It's gon', it's gon' be poppin'
In the club I said: The champagne's poppin' tonight

Bring out the bottles, ohhh
Bring out the bottles, ohhh
Bring out the bottles, ohhh
Bring out the bottles
I'm ready to go, go

Bring out the bottles, ohhh
Bring out the bottles, ohhh

Bring out the bottles, ohhh
I'm ready to go, go

Bring out the bottles
It's a celebration
Let's go!
Bring out the bottles
