I walked into the party. I seen somethin' I never saw.
Everybody was movin' grovin'
Girls, they were dancin' on the bar.
Now this wasn't no ordinary dance.
(Hey man why is everybody swimmin' in a trance?)
I couldn't figure it out like your grandpa's riddle,
I asked 'em what they doin' and they said Juicy wiggle!

(Now move your hips and dance like fish)

Get juicy.
Get juicy.
Yeah, get juicy.
Get juicy.
Get juicy.
Yeah, get juicy.

Wooooo Weeeii!!
Now I done just lost my mind.
All those people wiggling they stuff.
(Hey man, you gonna do the dance?)
Man turn down for what!?
Give me a shot (woo!) another shot (woo!)
Ya'll ain't ready for me to show you what I got. (woo!)
Then my body froze'd up, it was getting to my head.
What if I can't do it? Then everybody said...

Two girls was shakin' it, I jumped in the middle
I asked em what we doin' and they said Juicy Wiggle!

But first, I need some 151 and a match (Wooooo Wei!!)
It's time to light it up, lets go now!
