```
Maybe I wrote this song cause I had to
Maybe I wrote this song to pay the bills
Maybe I wrote this song for an excuse when we're alone
Maybe I wrote this song to say I love you
Maybe I wrote this song for the super fans
Maybe I wrote this song to show exactly who I am
Maybe I wrote this song for an excuse when we're alone
Maybe I wrote this song to say I love you
```

Yeah, Jason on the drum

All I can see in this world is you and me Living and laughing and playing as one But when I have to leave you, I realize that I need to Look you in the eyes and say I love you

Maybe I wrote this song to say I love you

Cause all I can see in this world is you and me Living and laughing and playing as one But when I have to leave you, I realize that I need to Look you in the eyes and say I love you

Maybe I wrote this song for an excuse when we're alone
Maybe I wrote this song to say I love you
I said maybe I wrote this song for an excuse when we're alone
Maybe I wrote this song to say I love you
I love you
