

Baby's Got Her Gun Out

Rediscover

Like a brand new trend,
You'll be my new girlfriend
I'll make you back before your brothers even know you
left
And every song I sing
Will be your favorite thing
I wrote this one for you
Why aren't you singing?

We'll get in my new car
I'll be a movie star
And I'll break your heart
Then you fall apart
But I don't care at all
Who you really are
And when we're done you get the f**k out of my car

I never told you to
I never think about you
I never holded you
I forget how to
I never cared about you
I never saw that in you
I never loved you

Baby got your gun out
And now we're dug out
And now we'll run out
And then I'll get down
(2x)

C'mon (3x)

Baby, you're in love now
And now we're dug out
And then I'll run out
And then I'll get down

I'd stop it if I could
But I don't think I would
I had no idea
I could look so good
And something's telling me
Hang on, cause I'm a time bomb baby

And we will make it through
If you want to
I'll get a new tattoo
That says I love you?

And when I find someone new
What am I gonna do?
I'll just change the name
To what better suits you

I never told you to
I never think about you

I never holded you
I forget how to

Baby got your gun out
And now we're dug out
And now we'll run out
And then I'll get down
(2x)

C'mon (3x)

Baby, you're in love now
And now we're dug out
And then I'll run out
And then I'll get down

Baby, you've got your gun out
You pull the trigger now
Are you in love now?
I dug out (check, check, check)
Are you in love now?
Are you in love now?

I never cared about you
I never saw that in you
I never loved you

Baby got your gun out
And now we're dug out
And now we'll run out
And then I'll get down
(2x)

C'mon (3x)

Baby, you're in love now
And now we're dug out
And then I'll run out
And then I'll get down

Baby's got your gun out
Baby, you're in love now
(6x)

Baby's got your gun out
Baby, you're in love
