Yo, when I'm in N.Y., I'm Uptown
On 1-4-5 fresh pair of Uptowns
I just scored me a mami, touchdown
Original, Gunn Clappah, Bucktown
Ohhh! I love to kick it in Cali
My Compton girl tattoored me on her fatty
She said, "I know you've got hoes in the Valley
Kris Kross me you gon' see the Mack Daddy"
I said yo, I gotta go to Miami
But my boys sold pounds so I'd feel a little milli'
I bagged me a XXL, (Eye Candy)
A little bling bling got me (Fresh) like (Mannie)
I ride through the A with a chick, dirty
Southside Philly know I get it on early
Any hood I'm in, I'm never in a hurry
I stand there chest out, and I rep Jersey
