I'm ready (you know I'm feelin real high)

I'm ready.

I'm ready (I'm ready)

I'm ready (I'm good)

I'm ready (let's go!)

When the lights (lights) go off (go off)

You're feenin once you had a chance

That's why I (I) just (just) can't (can't) leave it alone

Ohh, ohh, ohh, ohh

Gilla House niggaz! Yo

Hip-Hop has been my callin, ever since that I was crawlin

E. Sermon start recordin, 9-2 started ballin

Yeah, whoever woulda knew, a hot man like me survivin

Recession may have you down, a boy like me keep on ridin

I, I keep on ridin, New Jersey hold me down

No sense to blame Bin Laden, when the bomb right here in town

Y'all just didn't recognize, but I'm hopin now you know

Everybody tellin lies but y'all gonna feel

When the lights, go off

You're feenin once you had a chance

That's why I (yeah) just (yeah) can't, leave it alone

Ohh, ohh, ohh, ohh

Let's get it! Hey, yo

Some rappers say they had it, I feel I'm gettin started

Got a little bit of change in my hand, Obama's now in office

So "no" is not an option, my heart is pumpin hunger

Your money's dial tone, got it? Wrong number!

I, I need my paper, gotta keep my lights on

I'm buildin somethin major, so I can count my acres (yes!)

Better recognize, hip-hop I love it mayne

For the music I will die and y'all gonna feel

Ha ha, yo

My boys said I done it, I told 'em I ain't finished

My skill's Bout It Bout It, but the money, (No Limit)

Gotta keep my nose in it, cause I plan to make a killin

Instead of sittin 'round, tryin to whip, makin millions

I, I love my job, I, I love my life

If, if God my witness, I feel I did it twice (yes!)

Better recognize, Reggie is goin forward

Baby when I'm lock and loaded, y'all gonna feel

Ay, ay, ay, I'm, I'm ready

I'm, I'm ready

I'm, I'm ready (I'm ready)

I'm, I'm ready

I'm, I'm ready, can put the whole world in my hands

Yes sir, let me at you

When the lights go out, and we got a plan

I got one ready, can put the whole world in my hands

If that plan fails, I take another route

I'm always ready, when the lights go out, out, out, out

Believe me I'm always ready

When the lights go ow-ow-ow-ow-ow-ow-out, out, out

Believe me I'm always ready, when the lights go out, out

Watch me, watch me, watch me (yes sir!)
