

Are You Strong Enough

Rednex

3:41

are you strong enough
when you pray - pray to lord
try to find your own way
play the game of love
pray to lord above
try to find a way to stay
are you strong enough
to go your own way
are you strong enough
to make your day
are you strong enough
when you leave - leave for good
stay alive - knock on wood
play the game of love - pray to lord above
try to find a way to stay
are you strong enough
to go your own way
are you strong enough
to make your day
are you strong enough
