Hey!

We're heading for the west
Not heading for the east
We're gonna live our dream
'Cause we're wild and free

We are heading for the west
Not heading for the east
We're gonna live our dream
'Cause we're wild and free

Hey!
Hey Hey!
Hey!
Hey Hey!

Whoa.....

Heading for the west
Everybody
Heading for the west
Wild and free

Heading for the west
Everybody
Heading for the west
Wild and free
Heading for the west
