

# Breakeven (Falling to Pieces)

Reece Mastin

I'm still alive but I'm barely breathin'  
Just pray to a god that I don't believe in  
Coz I've time but she got freedom  
Coz when a heart breaks no it don't break even  
Her best days days were some of my worst  
She finally met a man that's gunna put her first  
While I'm wide awake she's got no trouble sleepin

Coz when a heart breaks it don't break even, even noo  
What am I spoused to do when the best part of me was always you  
What am I spoused to say when I'm all choked up but you're okay  
I'm fallin to pieces  
Yeah  
I'm fallin to pieces  
Yeah

You say bad bad things happen for a reason  
But no wise man is gunna stop the bleedin  
Coz she moves on while I'm still bleedin

Coz when a heart breaks it don't break even, even noo  
What am I spoused to do when the best part of me was always you  
What am I spoused to say when I'm all choked up but you're okay  
I'm fallin to pieces  
Yeah  
I'm fallin to pieces  
Yeah

You've got his heart and my heart and none of the pain  
You took the suitcase and I took the blame  
I'm tryna make sense of what little remains  
Coz you left me with no love to my name

I'm still alive but I'm barely breathin'  
Just pray to a god that I don't believe in  
Coz I've time but she got freedom  
Coz when a heart breaks no it don't break even  
Her best days days were some of my worst  
She finally met a man that's gunna put her first  
While I'm wide awake she's got no trouble sleepin

Coz when a heart breaks it don't break even, even noo  
What am I spoused to do when the best part of me was always you  
What am I spoused to say when I'm all choked up but you're okay  
I'm fallin to pieces  
Yeah  
I'm fallin to pieces  
Yeah

Coz when a heart breaks no it don't break even
