

# Caged Paradise

Reece Mastin

I don't wanna feel  
'Cause I got nothing to lose  
I got these burning bones  
And you're saying you'll steel for me  
Cry for me  
Baby, you'd die for me  
Lie

And I feel a little crowded and hazy in my head  
And everybody's telling me I am gonna pay  
You could be the one to string me up

Girl, you could see  
You got me going  
My body's begging  
But I want you more  
I can't keep feeling high  
I'm stuck inside this caged paradise

You keep on taking my mind  
I keep on taking these pills  
You know this body ain't mine  
But you won't teel for me  
Cry for me  
Baby, you'll lie for me

When you take me I'm raging  
I don't wanna steer  
You could be the life  
I'm taking you all in  
You could be the ride that's killing me

Girl, you could see  
You got me going  
My body's begging  
But I want you more  
I can't keep feeling high  
I'm stuck inside this caged paradise

When you take over  
You save me here  
'Cause you're the tear  
You drown me here  
I can't keep feeling high  
I'm stuck inside this caged paradise

Girl, you could see  
You got me going  
My body's begging  
But I want you more  
I can't keep feeling high  
I'm stuck inside this caged paradise

When you take over  
Can't save me here  
'Cause you're the dealer  
You'll drown me here

I can't keep feeling high  
I'm stuck inside this caged paradise

I can't keep feeling high  
I'm stuck inside this caged paradise
