

I Don't Love You Anymore

Reece Mastin

Driving home from the studio
I took a lap of the block
Just to keep you awake
I don't know if I'm alright
I can't say that I feel right when I'm with you

Coming in to a side room
I watch you sleep for awhile before I walk out
Another bottle of wine down
Another night in the mad house

They keep calling
Stars keep falling
I'm scared of walking
Walking into the dark

I can't say it
I can't play this game anymore
Baby I'm sorry
I can't say it
Don't think I can say it
Baby I'm sorry
But I don't love you anymore

Passing you in a corridor
I watch your eyes as they fall away from mine
Found the love now we're losing it
Stuck in a pit and we're trying to get out

Along the way we did something wrong
Time apart may have tainted the heart, I don't know
We just can't keep on struggling
It ain't fair but I'm done with this

I'm done talking
Stars keep falling
I'm scared of walking
Walking into the dark

I can't say it
I can't play this game anymore
Baby I'm sorry
I can't say it
Don't think I can say it
Baby I'm sorry
but I don't love you anymore

I'm done talking
Stars keep falling
Now I'm walking
Walking into the dark
I can't say it
I can't play this game anymore
Baby I'm sorry
I can't say it
Don't think I can say it
Baby I'm sorry

but I don't love you anymore
I can't say it
woah
And I can't save this
I can't it
I can't save it cause I
I don't love you anymore
