

Shout It Out

Reece Mastin

So what?

You say you got the money but the kind of classy girls that you're pull is kinda funny..

We're livin' it up we're pushin' our luck all day and night!

Stickin' bottles in the sand
Making out under cabanas,
Bikinis in the surf
Picture perfect all around us
We're laughing it up, we're running a muck
No care insight

Hot Damn!

No I can't help, stop and stare
You're messin' with my mind, don't care
Girl I can't get enough,
Give me what ya' got
If you dare!

Yeah I got my top down
My girl's still stunnin,
She's been running through my mind all day!
I just wanna' scream out, it's the middle of the summer
Maybe Rock n' Roll is here to stay
I just wanna' shout it out from the rooftops honey, wanna shout it out all night!
I just wanna' shout it out, shout it out, shout it out... whoa oh oh oh,
Shout it out, shout it out, shout it out... whoa oh oh oh!
O-o-oh

Just take a shot if you're feelin kinda heavy
Hit the sun with your shades and take a ride in my Chevy
We're tearin' it up, feelin' a rush we're turnin' 'round!
So baby hold on tight, gonna rev it up
Living life on the edge ain't dangerous
We're living it up, pushing our luck, both day and night!

Hot damn!

No I can't help, stop and stare
You're messin with my mind, don't care!
Girl I can't enough, give me what you got
If you dare!

Yeah I got my top down
My girl's still stunning
She's been runnin' through my mind all day!
I just wanna scream out, it's the middle of the summer
Maybe Rock n' Roll is here to stay!
I just wanna shout it out from the rooftops, honey, wanna shout it out all night!
I just wanna shout it out, shout it out, shout it out... whoa oh oh oh,
Shout it out, shout it out, shout it out... whoa oh oh oh!

Slow it down just a little bit
Bring the roof down just for the hell of it
Bounce with the bass and pop with the snare
Live it up tonight like we just don't care

Slow it down just a little bit
Bring the roof down just for the hell of it
Bounce with the bass and pop with the snare
Live it up tonight like we just don't care (Just don't Care)

Yeah I got my top down

Shout it out, shout it out, shout it out... whoa oh oh oh!

(whoa oh oh oh) shout it out (shout it out, out, out)
I just wanna shout it out from the rooftops honey, wanna shout it out all night!
I just wanna shout it out, shout it out, shout it out... whoa oh oh oh!
Shout it out, shout it out, shout it out.. whoa, oh oh, oh
Shout it out, shout it out, shout it out.. whoa, oh oh oh.
