

Sleep When You're Dead

Reece Mastin

Honey told me she got nothing to hide
She wanna go for the ride of her life
So she let me go and climb on inside

And dirty girl, you better let me know
You got a body and it's outta control
So turn around and let your assets show
Ha

Gonna rock your body now
(Gonna rock your body now)
Come on, let's talk about it
(Come on, let's talk about it)
That's what it's all about
(That's what it's all about)
Gonna rock your body
Let me hear you say

Hey
I see it written on your face
I'm gonna make you scream my name
Naked in the moonlight
Gonna stay up all night
And let me hear you say
Hey
I'll take you where you've never been
So baby open up and ride
I'm feeling like a sunrise
Coming when it's midnight
And you can sleep when you're dead
(Sleep when you're)
(Sleep when you're)
(Sleep when you're)
(Dead)

Pulling in
She got a vice-like grip
She's teasing me
The way she bites her lip
Backin' closer
Got my hands on her hips

Telling me I gotta shut the fuck up
And give it to her like she ain't got enough
She's bending over and she's handing me cuffs
Yeah

Gonna rock your body now
(Gonna rock your body now)
Come on let's talk about it
(Come on let's talk about it)
That's what it's all about
(That's what it's all about)
Gonna rock your body
And let me hear you say

Hey

I see it written on your face
I'm gonna make you scream my name
Naked in the moonlight
Gonna stay up all night
And let me hear you say
Hey
I'll take you where you've never been
So baby open up and ride
I'm feeling like a sunrise
Coming when it's midnight
And you can sleep when you're dead
(Sleep when you're)
(Sleep when you're)
(Sleep when you're)
And you can sleep when you're dead
(Sleep when you're)
(Sleep when you're)
(Sleep when you're)
(Dead)

And we are never gonna live forever
But baby when we're together
I feel so damn alive
I wanna feel your skin surround me
I wanna pull you deep down on me
And together we'll blow my mind

(Sleep when you're)
(Sleep when you're)
(Sleep when you're)
(Dead)

(Sleep when you're)
(Sleep when you're)
(Sleep when you're)

And let me hear you say
I see it written on your face
I'm gonna make you scream my name
Naked in the moonlight
Gonna stay up all night
And let me hear you say
Hey
I'll take you where you've never been
So baby open up and ride
I'm feeling like a sunrise
Coming like it's midnight
And you can sleep when you're
And you can sleep when you're dead

(Sleep when you're)
(Sleep when you're)
(Sleep when you're)
And you can sleep when you're dead
(Sleep when you're)
(Sleep when you're)
(Sleep when you're)
And you can sleep when you're dead
(Sleep when you're)
(Sleep when you're)
(Sleep when you're)
(Sleep when you're dead)
(Sleep when you're)

(Sleep when you're)
(Sleep when you're)
And you can sleep when you're dead
