Honey told me she got nothing to hide She wanna go for the ride of her life So she let me go and climb on inside

And dirty girl, you better let me know You got a body and it's outta control So turn around and let your assets show Ha

Gonna rock your body now
(Gonna rock your body now)
Come on, let's talk about it
(Come on, let's talk about it)
That's what it's all about
(That's what it's all about)
Gonna rock your body
Let me hear you say

Hey

I see it written on your face
I'm gonna make you scream my name
Naked in the moonlight
Gonna stay up all night
And let me hear you say
Hey
I'll take you where you've never been
So baby open up and ride
I'm feeling like a sunrise
Coming when it's midnight
And you can sleep when you're dead
(Sleep when you're)
(Sleep when you're)
(Sleep when you're)
(Dead)

Pulling in
She got a vice-like grip
She's teasing me
The way she bites her lip
Backin' closer
Got my hands on her hips

Telling me I gotta shut the fuck up And give it to her like she ain't got enough She's bending over and she's handing me cuffs Yeah

Gonna rock your body now
(Gonna rock your body now)
Come on let's talk about it

That's what it's all about
