

# My Imaginary Friend

Reel Big Fish

1. I couldn't do it  
So I asked for a helping hand  
To get me through it  
But I guess it wasn't in your plan  
Or maybe you were

\*: Just too busy to make time for me I always put you first  
Expected me to figure out things But they all kept getting worse  
When I think about the way you let me down  
I wonder if I'm supposed to count on you  
How could you ignore me?

My imaginary friend didn't come through in the end So now I have to find  
a real one  
Didn't answer when I called Well I guess it's just because He was never t  
here at all

2. I can't believe it  
Now that I'm looking back  
Why didn't I see it  
Well I guess I didn't even ask  
While you were never

\*: Ever in the places I would go You never showed yourself  
All those heart-felt conversations Were with me and no one else  
When I called your name You never answered am I insane? If you saw my suf  
fering  
How could you ignore me?

It's not hard to let him go  
I don't know why I ever loved him so

\*: Maybe there is something wrong with me I don't see what they see  
Used to fold my hands and close my eyes And think that you were with me  
Now there's something wrong It doesn't seem to make much sense I just fee  
l so stupid now  
How could I believe it?
