

My Imaginary Friend

Reel Big Fish

1. I couldn't do it
So I asked for a helping hand
To get me through it
But I guess it wasn't in your plan
Or maybe you were

*: Just too busy to make time for me I always put you first
Expected me to figure out things But they all kept getting worse
When I think about the way you let me down
I wonder if I'm supposed to count on you
How could you ignore me?

My imaginary friend didn't come through in the end So now I have to find
a real one
Didn't answer when I called Well I guess it's just because He was never t
here at all

2. I can't believe it
Now that I'm looking back
Why didn't I see it
Well I guess I didn't even ask
While you were never

*: Ever in the places I would go You never showed yourself
All those heart-felt conversations Were with me and no one else
When I called your name You never answered am I insane? If you saw my suf
fering
How could you ignore me?

R: My imaginary friend didn't come through in the end So now I have to find
a real one
Didn't answer when I called Well I guess it's just because He was never t
here at all

It's not hard to let him go
I don't know why I ever loved him so

*: Maybe there is something wrong with me I don't see what they see
Used to fold my hands and close my eyes And think that you were with me
Now there's something wrong It doesn't seem to make much sense I just fee
l so stupid now
How could I believe it?

R: My imaginary friend didn't come through in the end So now I have to find
a real one
Didn't answer when I called Well I guess it's just because He was never t
here at all
My imaginary friend wooh-yeah (Now I have to find a real one)
Didn't come through in the end wooh-no (Cause' he was never there at all)

He was never there at all
