

watchin' you sleep,  
i'm lookin'  
in your window,  
everyday i drive past  
your house  
standin' in your front yard,  
why don't you come out?  
watchin' you sleep...nowhere to hide,  
one of these days i'm gonna come inside  
it must be love,  
what else could it be?  
fuck you bitch, i love you i'm not crazy!

walkin' up to her, now she's walkin' away  
i just wanna talk to you!  
maybe she's got better things to do  
don't be afraid...to feel my touch,  
don't worry babe i won't hurt you much.  
it must be love  
what else could it be?  
fuck you bitch, i love you i'm not crazy!

i'm gonna make you love me!  
i'm gonna make you love me!  
i'm gonna make you love me!  
no matter what you say, now here i come.
