

There's a war goin' down between my brothers tonight.  
I don't want no war goin' down tonight.

Civilization? Ha! I call it as I see it.  
I call it &#!\$#!%! You know, I still cannot believe it  
Our evolution now has gone the way of hate  
A world evolved resolved into its stupid fate.  
Stop this war!  
All so different yeah, I say we're all the same  
All caught, you know, in the division game.  
Self destruction fast impending like a bullet.  
No one can stop it, once it's fired no one can control it.  
Stop this war  
A final word, wait it's not a call to action  
We ain't no sect, we ain't no \$#&!#& faction.  
Unity, Unity, you've heard it all before,  
This time it's not exclusive we want to stop a war.  
Unity as one, stand together,  
Unity, evolution's gonna come!
