

## Line Of Trust

### Reflexion

Why did you lie? Why did you hide?  
Why did you turn your back to me?  
I just cried and denied, how could you be that weak?

All these years that you have stand by me,  
Days of joy and misery.  
You were my shelter like sister to me,  
But now its gone, gone.

I really believed there's no secrets between you and me.  
I really believed you could open your heart to me.

The line of trust, is gone,  
Now I have lost my faith in you  
Our time turns dust, bounds lost, has betrayal became  
your truth?
