No More

Reflexion

When I got you in my arms,
I thought I had found the love of my life
I didn't know that you were a user
I gave my love to you, I didn't care,
you made me act like a fool
It didn't bother me,
cause I were so in love with you
I didn't understand you used me for your needs
You had crushed me complitely
I want your lovin' no more
You're in my heart, You're in my soul
But I want your lovin' no more ...
When I finally realized,
that you were the dancing queen of one night,
I just left saw you even faking your cry
I didn't understand you used me
for your needs you had crushed me complitely
I want your lovin' no more
You're in my heart, You're in my soul
But I want your lovin' no more ...
It was so close that I believed all your lies,
but now its over for good,
But you're still in my mind.
