5th Freedom

Refused

An ideological system, constructed to guarantee That the public remains passive, uneducated, in apathy That the crimes committed, they just pass us by As the state continues to fill us with lies Face the flag, in the land of hypocrisy Free to conquer, free to rape, free to kill, free to take Free to do whatever's in your will How many actions, in the name of democracy? When we don't even know, who's our enemy Survival of the filtest, blend with superiority So many untold stories, can't spell credibility How many lies i n the name of: Freedom, Peace, Progress, Democracy? Tolerance is acceptance The 5:th freedom
