

## Everlasting

Refused

This one will not change - turn down that fad again  
Complacency - overcome, overdone  
Everlasting - I've won  
No second chance - it's just begun

This one will not change - turn down that fad again  
Complacency - overcome, overdone  
Everlasting - I've won  
No second chance - it's just begun

Struck down in convenience, tradition chosen way  
Who describes, who decides our ideas of fun?

I will not become  
What I despise  
I found a reason  
Your truths are lies

Directed  
Attached  
Reason will overcome  
The bounds of conformity  
We are still waiting

I will not become  
What I despise  
I found a reason  
Your truths are lies

Struggle to overcome  
Generations of secondhand liars  
Struggle to overcome  
The past mistakes

Struggle to overcome  
Generations of secondhand liars  
Struggle to overcome  
The past mistakes

This one will not change - turn down that fad again  
Complacency - overcome, overdone  
Everlasting - I've won  
No second chance - it's just begun
