

Rather Be Dead

Refused

Rather be dead,
Than alive by your oppression,
Rather be dead,
Than alive by your design.

Poisoned my fingers,
Burned out my eyes,
Cut up up my throat,
To be alive.

Rather be dead,
Than alive by your social values,
Rather be dead,
Than alive by your tradition.

Poisoned my fingers,
Burned my eyes,
Cut up my throat,
To be Alive.

But I'd rather be alive....
Rather be alive
Rather be alive
Rather be alive!

Rather be alive, rather be alive, rather be
Rather be alive, rather be alive, rather be
Rather be alive
Rather be alive!

Poisoned my fingers,
Burned out my eyes,
Cut up up my throat.
