

Far Longer Than Forever

Regina Belle

If I could break the spell
I'd run to him today!
And somehow I know he's on his way
Derek, you and were meant to be

Far longer than forever
I'll hold you in my heart
Its almost like your here with me
All do we're far apart

Far longer than forever
As constant as a star
I close my eyes and I am where you are
Sure as the dawn brings the sunrise
We have unshakeable bonds

Destined to last for a lifetime and beyond

Far longer than forever
Like no love ever known
And with your love I'll never be alone

Ohhh
Far longer than forever
Like no love ever known
And with your love I'll never be alone

Far longer than forever
Much stronger than forever
Without your love I'll never be alone

Never, never be alone
Never ever be alone
Far longer than forever
