

# I Hope He Understands

Regina Belle

I looked into the dark and thought I saw a light  
Then I heard a voice  
Was it in my mind?  
Sometimes I cant be sure of what I see in him  
Sometimes I lose my way, I get down and pray, and ask him for h  
is strength  
I hope he understands  
Sometimes I cant go on, living gets so tough  
I gave it all I had, that was not enough  
Impossibility are all I ever see  
And I become so weak I cant even speak, then I need his strengt  
h

I hope he understands  
I hope he understands just how hard I tried  
Put my trust in him I hope he understands  
I hope he understands, I hope he understands its just me  
So I go on each day, do my very best  
Deeds and time will tell  
If I have met his test  
I'll meet him at the gate and if he shakes my hand  
I'll thank him for his help, I was not alone, always used his s  
trength

I know he understands  
I know he understands just how hard I tried, I put my trust in  
him  
I hope he understands, hope he understands, I hope he understan  
ds its just me  
So I go on each day, do my very best  
Deeds and time will tell  
If I have met his test  
I'll meet him at the gate and if he shakes my hand  
I'll thank him for his help, I was not alone, always used his s  
trength  
I know he understands
