

This Is Love

Regina Belle

I've seen your face before
Somewhere, somehow, I know
Of that I'm sure
You turned and smiled at me
And started something I
Never thought would be

I wish that you and I
Could meet again, someday
I've never felt this way
For anyone else
No baby

This is love, this is love
Oh I think I'm falling for you
This is love only love
No one makes me feel like you do
No one but you

I know that it takes time
For love to grow this far
But still I'll wait
You're all I'm dreaming of
All I'm thinking of
I need you so much

I pray that heaven will guide us
So that we can be together again
Till the end of time
Just you and I
You loving me and me loving you

This is love, this is love
Oh I think I'm falling for you
This is love only love
Nobody makes me feel like you do
No one but you

I've been a lot of places that I never knew
But none compare with you
And more than you, you will never know
This time baby, there's no letting go, yeah

This is love, this is love
Oh I think I'm falling for you baby
This is love only love
Nobody makes me feel like
Nobody makes me feel like you, baby

You know I'm head, head over heel for you baby
Oh, baby let me touch you
Let me feel you just one more time baby
I know that love takes time but baby you're mine
