Better

Regina Spektor

If I kiss you where it's sore If I kiss you where it's sore Will you feel better, better, better Will you feel anything at all Will you feel better, better, better Will you feel anything at all Born like sisters to this world In a town where blood ties are only blood If you never say your name out loud to anyone They can never ever call you by it If I kiss you where it's sore If I kiss you where it's sore Will you feel better, better, better Will you feel anything at all Will you feel better, better, better Will you feel anything at all You're getting sadder, getting sadder, getting sadder, getting sadder And I don't understand, and I don't understand But if I kiss you where it's sore If I kiss you where it's sore Will you feel better, better, better Will you feel anything at all Will you feel better, better, better Will you feel anything at all Anything at all Will you feel anything at all Anything at all Will you feel anything at all Anything at all...
