

# Blue Lips

Regina Spektor

He stumbled into faith and thought  
God, this is all there is?  
The pictures in his mind arose  
And began to breathe  
And all the gods and all the worlds  
Began colliding on a backdrop of blue

Blue lips, blue veins

He took a step but then felt tired  
He said I'll rest a little while  
But when he tried to walk again  
He wasn't a child  
And all the people hurried fast, real fast  
And no one ever smiled

Blue lips, blue veins  
Blue, the color of our planet  
From far, far away  
Blue lips, blue veins  
Blue, the color of our planet  
From far, far away

He stumbled into faith and thought  
God, this is all there is?  
The pictures in his mind arose  
And began to breathe  
And no one saw and no one heard  
They just followed the lead  
The pictures in his mind arose  
And began to breathe

And no one saw  
And no one heard they just followed the lead  
The pictures in his mind awoke  
And began to breed

They started off beneath an olive tree  
And they chopped it down to make a picket fence  
And marching along the railroad tracks  
They smiled real wide for the camera lens  
As they made it past the enemy lines  
Just to become enslaved in the assembly lines

Blue lips, blue veins  
Blue, the color of our planet  
From far, far away  
Blue lips, blue veins  
Blue, the color of our planet  
From far, far away

Blue, the most human color (3x)  
Blue lips, blue veins  
Blue, the color of our planet  
From far, far away
