

White lines on your mind  
Keep it steady  
You were never ready for the lies

White lines on your mind  
Keep it steady  
You were never ready for the lies

You don't have no doctor Robert  
You don't have no uncle Albert  
You don't even have good credit  
You can write but you can't edit

You don't have no doctor Robert  
You don't have no uncle Albert  
You don't even have good credit  
You can write but you can't edit  
Edit, edit, edit, edit, edit, edit...

White lines on your mind  
Keep it steady  
You were never ready for the lies

You don't have no doctor Robert  
You don't have no uncle Albert  
You don't even have good credit  
You can write but you can't edit
