Fidelity

Regina Spektor

I never loved nobody fully
Always one foot on the ground
And by protecting my heart truly
I got lost in the sounds
I hear in my mind all these voices
I hear in my mind all these words
I hear in my mind all this music
And it breaks my heart
And it breaks my heart
And it breaks my heart
It breaks my heart

And suppose I never met you
Suppose we never fell in love
Suppose I never ever let you kiss me
so sweet and so soft
Suppose I never ever saw you
Suppose we never ever called
Suppose I kept on singing love songs

just to break
my own fall
Just to break my fall
Just to break my fall

Break my fall
Break my fall
All my friends say that of course its
gonna get better, gonna get better
Better better better better
Better better better

I never love nobody fully
Always one foot on the ground
And by protecting by heart truly
I got lost in the sounds
I hear in my mind all these voices
I hear in my mind all these words
I hear in my mind all this music
