

## Small Bill\$

Regina Spektor

His destiny was just too big to spend  
So he broke it into smaller bills and change  
By the time he'd try to buy the things he needed  
He had spent it all on Lucy's and weed and  
He had spent it all on chips and Coca-Cola  
He had spent it all on chocolate and vanilla  
He had spent it all and didn't even feel it  
He had spent it all and didn't even feel it

Na na na, na na na na, na na  
Na na na, na na na na, na na  
Na na na, na na na na, na na  
Na na na, na na na na, na na  
[x2]

All the poets in the alley coughing up blood  
And their visions and their dreams are coming up red  
They can neither wake up or go deeper  
But it's so dangerous to wake a deep sleeper

It's like awakening a bear in winter  
To feel the reckoning of hunger sprinter  
He's gonna stretch his claws and feel his power  
And you are gonna know your final hour

Na na na, na na na na, na na  
Na na na, na na na na, na na  
Na na na, na na na na, na na  
Na na na, na na na na, na na  
[x2]

Better get a head start, start running  
While you were skimming from the top was sunny  
But all the weather 'bout to turn real crummy  
'Cause everybody gonna want their money  
Yeah, everybody gonna want their money  
Better get a head start, start running  
Better get a head start, start running  
Cause it's about to get so unfunny

All the poets in the alley coughing up blood  
And their visions and their dreams are coming up red  
They can neither wake up or go deeper  
But it's so dangerous to wake a deep sleeper

Na na na, na na na na, na na  
Na na na, na na na na, na na  
Na na na, na na na na, na na  
Na na na, na na na na, na na  
[x4]
