

## That Time

Regina Spektor

Hey remember the time when I found a human tooth down on Delancey  
Hey remember that time we decided to kiss anywhere except the mouth  
Hey remember that time when my favorite colors were pink and green  
Hey remember that month when I only ate boxes of tangerines  
So cheap and juicy, tangerines

Hey remember that time when I would only read Shakespeare  
Hey remember that other time when I would only read the backs of cereal boxes  
Hey remember that time I tried to save a pigeon with a broken wing  
A street cat got him by morning and I had to bury pieces of his body in my building's playground  
I thought I was going to be sick, I thought I was going to be sick

Hey remember that time when I would only smoke Parliaments  
Hey remember that time when I would only smoke Marlboros  
Hey remember that time when I would only smoke Camels  
Hey remember that time when I was broke  
I didn't care I just bummed from my friends  
Bum, bum, bum, bum, bum...

Hey remember that time when you od'ed  
Hey remember that other time when you od'ed for the second time

Well in the waiting room while waiting for news of you I hallucinated I could read your mind  
And I was on a lot of shit too but what I saw, man, I tell you it was freaky, freaky
