

The Noise

Regina Spektor

All
The power
Of my voice
Can't compare
With the power
Of a
Quiet
Whisper

Still
It's a choice
And I choose
To rage
Instead of
Ever
Quietly
Listening

I can't hear you
I can't hear you
I can't hear you anymore
I can't hear you, I
Can't hear you
I can't hear you through this noise
I can't hear you
Through
The noise

All
The power
Of my words
Can't compare
With the power
Of a
Silent
Answer

Still
It's a choice
And I choose
To rage
Ignoring
All those
Silent
Answers

I can't hear you
I can't hear you
I can't hear you anymore
I can't hear you, I
Can't hear you
I can't hear you through this noise
I can't hear you
Through
The noise

All
