

## Two Birds

Regina Spektor

Two birds on a wire  
One tries to fly away and the other  
Watches him close from that wire  
He says he wants to as well but he is a liar

I'll believe it all  
There's nothing I won't understand  
I'll believe it all  
I won't let go of your hand

Two birds on a wire  
One says c'mon and the other says I'm tired  
The sky is overcast and I'm sorry  
One more or one less, nobody's worried

I'll believe it all  
There's nothing I won't understand  
I'll believe it all  
I won't let go of your hand

Two birds of a feather  
Say that they're always gonna stay together  
But one's never going to let go of that wire  
He says that he will but he's just a liar

Two birds on a wire  
One tries to fly away and the other  
Watches him close from that wire  
He says he wants to as well but he is a liar

Two birds on a wire  
Once tries to fly away and the other
