

Good Friend

Regine Velasquez

If You let me I Could be your good friend
I know that If you let me
We could walk together
we're not so different you know
Though we may have different dreams
when they fall apart we hurt the same it seems

I'm so sure so don't you bet me
I just know that if you let me
I'll show you that I could be your good friend

Someone to share your good times
Someone who you can count on
That someone who you turn to won't turn away

If you let me I could be your good friend
I know that if you let me we could walk together

ohhhh ohhhh...

I'm so sure so don't you bet me
I just know that if you let me
I'll show you that I could be your good friend
