

How Can I Tell You

Regine Velasquez

How can I tell you that I love you, I love you
But I cant think of right words to say
I long to tell you that I'm always thinking of you
I'm always thinking of you, but my words
Just blow away,

It always ends up to one thing, honey
And I cant think of right words to say

Wherever I am babe, I'm always walking with you
I'm always walking with you, but I look and you're not there
Whoever I'm with, I'm always, always talking to you
I'm always talking to you, and I'm sad that
You cant hear, so sad that you cant hear
It always ends up to one thing, honey,
When I look and you're not there

I need to know you, need to feel my arms around you
Feel my arms around you, like a sea around a shore
each night and day I pray, in hope
That I might find you, in hope that I might
Find you, because hearts can do no more

It always ends up to one thing honey, still I kneel upon the floor
