I'll Never Love This Way Again

Regine Velasquez

You looked inside my fantasies And made each one come true Something no one else had ever found a way to do I've kept the memories one by one Since you took me in I know I'll never love this way again I know I'll never love this way again So I keep holding on before the good is gone I know I'll never love this way again Hold on, hold on, hold on A fool will lose tomorrow Reaching out for yesterday I won't turn my head in sorrow If you should go away I'll stand here and remember Just how good it's been And I know I'll never love this way again I know I'll never love this way again So I keep holding on before the good is gone I know I'll never love this way again Hold on, hold on, hold on I know I'll never love this way again So I keep holding on before the good is gone I know I'll never love this way again Hold on, hold on I know... Love... This way again
