

# I Want to Know What Love Is

Regine Velasquez

I gotta take a little time, a little time to think things over  
I better read between the lines, in case I need it when I'm older  
Now this mountain I must climb, feels like the world upon my shoulders  
Through the clouds I see love shine, it keeps me warm as life grows colder  
In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've travelled so far, to change this lonely life  
I want to know what love is, I want you to show me  
I want to feel what love is, I know you can show me  
I'm gonna take a little time, a little time to look around me  
I've got nowhere left to hide, it looks like love has finally found me  
In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've travelled so far, to change this lonely life  
I want to know what love is, I want you to show me  
I want to feel what love is, I know you can show me  
I want to know what love is, I want you to show me  
(And I wanna feel) I want to feel what love is  
(And I know) I know you can show me  
Let's talk about love - I want to know what love is  
The love that you feel inside - I want you to show me  
And I'm feeling so much love - I want to feel what love is  
No, you just can't hide - I know you can show me  
I want to know what love is (let's talk about love), I know you can show me  
I wanna feel it too - I want to feel what love is  
I wanna feel it too, and I know and I know - I know you can show me  
Show me love is real, yeah - I want to know what love is...  
(to fade)
