It all came so easy All the lovin' you gave me The feelings we shared And I still can remember How you touched me so tender You told me you cared We had a once in a lifetime But I just didn't see until it was gone A second once in a lifetime Maybe too much to ask but I swear from now on If ever you're in my arms again This time I'll love you much better If ever you're in my arms again This time I'll hold you forever This time we'll never end, oohooh Now I'm seein' clearly How I still need you near me I still love you so There's something between us That won't ever leave us There's no letting go We had a once in a lifetime But I just didn't know it till my life fell apart A second once in a lifetime Isn't too much to ask 'cause I swear from the heart If ever you're in my arms again This time I'll love you much better If ever you're in my arms again This time I'll hold you forever This time we'll never end Never end The best of romances Deserves second chances I'll get to you somehow `Cause I promise now If ever you're in my arms again This time I'll love you much better If ever you're in my arms again This time I'll hold you forever This time we'll never end If ever you're in my arms again This time I'll love you much better If ever you're in my arms again This time I'll hold you forever This time we'll never end If ever you're in my arms again This time I'll love you much better If ever you're in my arms again This time I'll hold you forever This time we'll never end (till fade)
