## Longer

## **Regine Velasquez**

Longer than there've been fishes in the ocean Higher than any bird ever flew Longer than there've been stars up in the heavens I've been in love with you

Stronger than any mountain cathedral Truer than any tree ever grew Deeper than any forest primeval I am in love with you

I'll bring fires in the winters You'll send showers in the springs We'll fly through the falls and summers With love on our wings

Through the years as the fire starts to mellow Burning lines in the book of our lives
Though the binding cracks and the pages start to yellow I'll be in love with you

Longer than there've been fishes in the ocean Higher than any bird ever flew Longer than there've been stars up in the heavens I've been in love with you (I've been in love with you) I've been in love with you
