

# Love On The Airwaves

Regine Velasquez

Looking out my window  
Then I saw you walking by  
Is it wishful thinking  
Or just a trick of the light

Cause I should know better  
Oh what a way to spend my time  
But I just can't help it

Here I go turning on the radio  
I hope they'll play my song for you

Can you hear it  
Am I getting through  
Coz I'm sending this out to reach you  
Can you hear me  
I'm calling out your name  
On the airwaves

Took a walk a'round your place  
With every step I think of you  
I kept seeing your face

And I know one day  
Hey you'll meet me out there  
Take my hand and fly away
