

Love On The Airwaves

Regine Velasquez

Looking out my window
Then I saw you walking by
Is it wishful thinking
Or just a trick of the light

Cause I should know better
Oh what a way to spend my time
But I just can't help it

Here I go turning on the radio
I hope they'll play my song for you

Can you hear it
Am I getting through
Coz I'm sending this out to reach you
Can you hear me
I'm calling out your name
On the airwaves

Took a walk a'round your place
With every step I think of you
I kept seeing your face

And I know one day
Hey you'll meet me out there
Take my hand and fly away
