Love On The Airwayes

Regine Velasquez

Looking out my window
Then I saw you walking by
Is it wishful thinking
Or just a trick of the light

Cause I should know better
Oh what a way to spend my time
But I just can't help it

Here I go turning on the radio I hope they'll play my song for you

Can you hear it

Am I getting through

Coz I'm sending this out to reach you

Can you hear me

I'm calling out your name

On the airwaves

Took a walk a'round your place With every step I think of you I kept seeing your face

And I know one day
Hey you'll meet me out there
Take my hand and fly away
